

Wright County Grant-in-Aid Trail System

Welcome to the Wright County Snowmobile Trail system and connecting trails. These trails have been developed and marked for your enjoyment and safety. The WCSA maintains over 240 miles of trails. These trails are possible only because landowners have given permission to cross their private land. To help ensure the future of this system, please respect these trails and adjacent private property. The trails are 12 feet wide - please stay within this area.

Minnesota Law 85.018, subd. 5, Snowmobile Trail Use From December 1st to April 1st in any year, no use of a motorized vehicle other than a snowmobile, unless authorized by permit, lease or easement, shall be permitted on a trail designated for use by snowmobilers.

The trails on this map are part of the Grant-in-Aid Trail System and are funded by the Department of Natural Resources. The DNR does not endorse any of the map advertisers.

The future of snowmobiling depends on the impressions created by snowmobilers today. Obey the laws and basic rules of courtesy and stay on the marked trails. Trespassing, littering and excessive noise are subject to State, County and Local ordinances.

The advertisers on this map have contributed to help defray the costs of this map. They are worthy of your patronage.
